Think a local office supplies reseller can't offer the same perks and products as the chain names? Well, think again.

We offer everything the big guys do and more—a whole lot more.

**Not just assortment—huge assortment.** Everything from files and folders to furniture, in fact.

**Big name brands and then some.** All your favorites, plus top-quality, private labels you won't find anywhere else.

**Three words—One. Stop. Shopping.** Don't spin your wheels chasing around for what you need. We've got it all, right here, right now, in one convenient place.

**You'll love our prices.** We've got the depth and purchasing power of the big box stores, but none of the overhead or rules. The savings get passed on to you!

**Gas-saving goodness.** Gas prices are going up. Why waste a drop when we're right here in your own backyard?

**Super fast** (we know you've got better things to do with your time). No need to navigate through aisle after aisle of a big box or wander a cavernous warehouse store. Visit our website or call today.

**We'll like you. We'll really like you.** Being independently owned means we can take the time to get to know you and your business. This way when you are looking for a little assistance, we can suggest products and solutions that actually make sense for you.

*"I order from these guys all the time and they are great!"*
